

Southern Districts Hockey Club

Payment of Playing Fees and Injury Policy

This purpose of this document is

To provide clear policy and direction to all SDHC stakeholders on fees payment when injury occurs.

It is the expectation of the SDHC Committee that all players (junior, youth and senior) are financial before the first playing weekend.

Junior and Youth playing fees will be paid in full on registration.

Seniors- 50% of the seasons playing fees will paid before first playing weekend, 50% before 31st May / or as decided by SDHC Committee.

Once players are registered on the data base, there are fees and levies due to Auckland and NZ hockey and Kolmar Sports Centre. It is also acknowledged that there are a number of administration duties completed by SDHC Committee members on behalf of the players.

Injury before the playing season starts- A player is unavailable for entire season.

Adult players -SDHC will retain \$50 administration fee. The remainder of fees paid is reimbursed in full on application to the Treasurer

Junior and Youth players- SDHC will retain \$30 administration fee. The remainder of fees paid is reimbursed in full on application to the Treasurer

Injury during the playing season; Depending on the number of games played, fees will be reimbursed in line with the part time playing fees policy

If a player has played 1-4 games \$120 will be retained by the Club

If a player has played 5-8 games \$240 will be retained by the Club

If a player has played 9 or more games, there will be no refund of fees paid.
